**Please Note:** Camp Hadar reserves the right to alter bus routes and times as needed. Camper enrollment will determine which schedule we follow. For weeks 1 and 2, we will be using schedule A. We will post on our website whether we will be using Schedule A or Schedule B by noon on the Thursday of each week. We will also confirm the bus schedule in camp e-mails, newsletter, staff letters at the end of the session, and camper phone calls. We appreciate your support in helping us to keep Camp Hadar affordable and providing a quality day camp experience for all our campers.

**Please have your children at their assigned bus stop 5-10 minutes prior to their scheduled pick up time in the morning AND please be on time for pick up in the afternoon.** For the safety of all the children, the buses cannot wait more than a moment or two. If there are any problems, please call the camp office. If your child is not going to camp, please call your child's bus counselor between 7:30 and 7:45 A.M. OR after 7:45 please call the bus co. so the bus is not unnecessarily delayed waiting for your child.

*Bus transportation is provided by First Student Bus Co. (603) 893-1631 ext. 110 or 121*

All bus counselors have a cell phone to notify the main office if the bus will be delayed or in case of an emergency. If the bus will be delayed beyond 20 minutes, a voice mail will be recorded at the camp office indicating the delay. The cell phone is a private number and cannot be distributed to Camp Hadar families.
