Camper enrollment will determine which schedule we follow. For weeks 1 and 2, we will be using schedule A. We will post on our website whether we will be using Schedule A or Schedule B by noon on the Thursday of each week. We will also confirm the bus schedule in camp e-mails, newsletter, staff letters at the end of the session, and camper phone calls. We appreciate your support in helping us to keep Camp Hadar affordable and providing a quality day camp experience for all our campers.

Please have your children at their assigned bus stop 5-10 minutes prior to their scheduled pick up time in the morning AND please be on time for pick up in the afternoon. For the safety of all the children, the buses cannot wait more than a moment or two. If there are any problems, please call the camp office. If your child is not going to camp, please call the bus co. between 7:30 – 7:45 am so the bus is not unnecessarily delayed waiting for your child.

Bus transportation is provided by First Student Bus Co. (603) 893-1631 ext. 110

All bus counselors have a cell phone to notify the main office if the bus will be delayed or in case of an emergency. If the bus will be delayed beyond 20 minutes, a voice mail will be recorded at the camp office indicating the delay. The cell phone is a private number and cannot be distributed to Camp Hadar families.
